20th January 2022

Dear Parent(s)/ Guardian(s) and Students,

We would like to take this opportunity to make you aware of the exam arrangements for 1st Years, beginning Wednesday, 2nd February.

Our 1st year students have settled into school life here in Lusk CC exceptionally well since September. It is clear to see their confidence levels growing on a weekly basis and new friendships being developed. These upcoming exams will give students an opportunity to display all the hard work that they have been engaged in since the beginning of the school year.

Over the next two weeks, 1st year students will be given tips and lessons on how to study and prepare for these exams by their tutors and subject teachers. These are valuable skills which all students will be able to use during their time here in Lusk CC. There are some study periods timetabled between exams and students will get a chance to practice these study techniques during this time to help them prepare for upcoming exams.

As students have only just begun their option subjects on a full time basis following the tasters before Christmas, these subject are not included in the timetable. These subjects will be examined formally in the summer and the option teachers will assess students in class between now and then.

1st Year Exams

Time	Wednesday 2nd	Time	Thursday 3rd	Time	Friday 4th
08:40 - 10:00	Class as normal	08:40 - 09:00	Prep and Study	08:40 - 09:00	Prep and Study

Coláiste Pobail Lusca

Lána Ráth Éanaigh. Bóthar an Rátha Mhóir,
Lusca, Contae Bhaile Atha Cliath.

Please note the following:

- All Students must attend school every morning for 8:40 tutor time as normal.
- Students remain in school for the full day
- Normal taught classes will resume on Monday 7th February for all First Year students.

Time has been allocated between exams to allow students the opportunity to continue with the '**Accelerated Reader**' and the '**Build-Up Maths**' programmes. Students should ensure that they have the books that they are currently reading on these days. Students should also ensure that their i-Pads are fully charged in order for them to participate in Build-Up Maths.

We would like to take this opportunity to wish our 1st year students the very best of luck with their examinations.

Yours faithfully,

John B. Conneely
Deputy Principal
Lusk Community College
