15th January 2026

Dear Parent(s)/ Guardian(s) and Students,

We would like to take this opportunity to make you aware of the arrangements for the Leaving Certificate Applied Mock Exams for LCA 2, beginning Tuesday 3rd February 2026.

Please note:

- All students must attend school at 8:40 on the morning of an exam.
- Students will have two exams on the same day and are permitted to go home after their last exam each day.
- Students must stay in school for the full duration of all their exams.
- **Students must attend for exams in full uniform. PE Uniform is not allowed.**
- If a situation arises in which a student leaves the school grounds without permission, the normal school sanctions will apply.
- In the interests of maintaining good relationships with the local community, we would ask for parents support in ensuring that students leaving the school early having completed exams would go directly home to prepare for future exams and not congregate around the village.
- Normal taught classes will resume on Monday 9th February for all students

The purpose of the mock examination is to emulate state exam conditions. Therefore, we would ask that the student conduct himself/ herself in a proper manner throughout the examination period. Students should be prepared for each exam with all materials required. Registration will take place at the beginning of each exam, so it is essential that students arrive in plenty of time. A student that arrives late to an exam may not be permitted to enter the exam centre. Similarly, any student(s) causing disruption will be removed from the exam centre and prevented from sitting further mock exams.

We understand that this time of year is extremely busy for our 6th year students. It is normal to feel some pressure and apprehension before the mock exam. We remind students that this is a practice run and an exercise in preparation for the state exams in June. We would encourage students to take the mock exam as an opportunity to identify areas of concern, measure current progress and set targets for the coming months. Should you have any concerns relating to how your son/daughter is coping please do not hesitate to contact the school.
