Dear 6th Year Parent / Guardian.

The Guidance Department in the school will be hosting an online information event on Tuesday Evening 8th of November between 7.00pm and 8.00pm. The talk will be run via TEAMS on Microsoft and both parents and students can access from home.

The CAO is due to open for registration in early November and this information evening will inform you about that process and other elements of the 6th Year which are Career Guidance related such as;

- CAO Registration
- DARE Scheme
- SUSI College Grants
- College Open Days
- Other Progression Options
- 6th Year Student Wellbeing

We hope you can join us on the evening of the 8th November, when we will present for about 30 minutes and then there will be an opportunity for parents to ask us any guidance related questions, to help steer you all through the first stage of this important year.

Regards,

A. Hendrick
