8<sup>th</sup> September 2025

## **Ref - Career and College events Week beginning 15th September 2025**

Dear Parent/ Guardian of 6th Year Student,

We are writing to you to keep you fully informed of the details of the two college and career expos that 6th Years will be attending next week, namely the Worldskills Ireland Expo and Higher Options 2025, both taking place in the RDS, Ballsbridge.

### **World-skills Ireland Expo (RDS Simmonscourt) - Wednesday 17th September**

All 6th Years students including LCA2 class, will come to school as normal and be marked in for the 8.40am class. They will then be leaving school with teaching staff to make their way to train station and travel to City Centre to attend event at the RDS. Students will be travelling back with staff by train and go back to school building before the end of normal school day. Students will not be returning to class on Wednesday and can go home earlier than the normal finish time. This event highlights a number of Further Education Training options and is a free event to attend.

### **Higher Options (RDS Main Hall) - Friday 19th September**

All 6th Year Leaving Cert Established students (not including LCA) have been asked to purchase their €13 ticket in advance for this event via the School Website Parental Payments section. Tickets will be given to the students (QR Code) in the school in the days before and they can travel to Higher Options access the event. Students do not come to school on the Friday - they should make their own way to and from Higher Options (access to the RDS from 9.30am on Friday morning). Members of the Guidance Counsellor team will be at the RDS to assist if needed. This event promotes all Higher Education Institution college CAO courses from throughout the country and other Universities from abroad.

These are both very important career and college research events and students should attend both to research and inform themselves of their options. It is always an exciting couple of days and we look forward to their attendance.

**Please ensure that the €13 Higher Options ticket has been purchased from the school website so that access to the event is guaranteed in advance.**

Kind Regards,

---

Guidance Team
