16 September 2022

Dear Parent/Guardian/Student.

I hope you are all settling back well into your last year here in LuskCC! With that in mind and looking forward to the next chapter, the school is very excited to be returning to the Higher Options Event in the RDS on Friday September 23, 2022. Higher Options is an Event/Expo covering Third Level College progression routes and it is exclusively for Leaving Certificate Students. It is a great motivational event and stirs excitement about the wonderful opportunities that lie ahead.

Every 6<sup>th</sup> year is expected to attend and if they are unable to go, the school's absence procedure must be followed and the school need to be notified of the reason for the absence. Tickets for Higher Options cost €10 and have already been purchased by the school. Students do not need to purchase a ticket.

Students should make their own way to the event on Friday morning in **full uniform** (not tracksuit or any other attire). Teachers will meet them directly in front of the RDS Simonscourt Building at 10am sharp where a roll will be taken and they will receive their ticket via QR Code printout. Students are expected to remain at the event until 1pm and then make their own way home afterwards – there is no need to return to school.

Students are permitted to bring their mobile phones with them. We advise to bring an empty schoolbag to store all the documents and other materials that they will be receive during the event.

We look forward to attending Higher Options with this wonderful year group!

Kind regards,

Mr. A. Hendrick  
Careers Teacher
