Re: Incoming First Year 2022 – Information Night

Dear Parent/Guardian,

I hope that this letter finds you well. We as a school, are excited to launch a series of events to provide parent/guardians and students, with the necessary information required to progress from primary to second level education. The school understands that while this is an exciting time, it can also generate much anxiety for students and parents alike. It is our intention over the coming months, to communicate, update and provide you with all of what is required to help make this important transition. Your son/daughter is among 210 students joining us in September 2022. For our part, it is a critical investment in the schools future, for us to ensure that each of our newest students get the best possible start to life at Lusk Community College.

You will have received a recent message from LCC in relation to an upcoming event on Thursday 3rd March, 7.00pm, Incoming First Year 2022 – Information Night. The purpose of this letter is to provide outline details of the content to be covered on the night and also to provide information on how to register for the event.

Incoming students are welcome to attend, however the information delivered on this night is more directed towards parent/guardians.

The following information will be part of the online presentation on the night:

- Brief overview of the school/curriculum/timetable
- School uniform and supplier, pop up shop dates.
- iPad information, purchase, Wriggle store dates.
- Entrance assessment dates
- Future transitioning events
- Additional Educational Needs (AEN) including Special Class.
- Budgeting costs, including LCC e-Book Loan Scheme
- Transitioning school supports.

If you are unable to join us on the night, the slides will be available on the schools website, www.luskcommunitycollege.ie.
