Re: Killary Adventure Centre Sixth Year Trip 12th & 13th February 2026

Dear Parent/Guardian, Student,

I hope that you are well. First of all, I would like to congratulate our students on the completion of recent Mock Exams. I hope that they went well, but more importantly, I hope that both the experience of doing the exams and the feedback from teachers will stand to our students in preparing for the Leaving Certificate in June.

As a school, we are proud of our current Sixth Years, we are grateful for all that they have contributed to the school and we are appreciative of the continued support of parent/guardians. The months ahead will be a challenge for our students, however, it is equally important that this time be a celebration of their time in Lusk Community College, their growth, the memories and friendships, and their role in growing our school to where it is today.

We are delighted to be able to organise our Killary Trip for Sixth Year students. Below is important information in relation the itinerary, what to pack, rules while on the trip, emergency contact, etc.
