Re: Leaving Certificate Results 2022

Dear Parent/Guardians, Students,

I hope that you are well and that you have had an enjoyable summer.

You will be aware that Leaving Results are due to be released on Friday 2nd September.

The State Examination Commission have confirmed that Leaving Certificate results will only be available to candidates through the Candidate Self-Service Portal (CSSP) and will not be available to be distributed from schools.

Students may access results through the Candidate Self Service portal (CSSP) on Friday 2nd September from 10am.

The school is aware that arrangements do not allow for the tradition of students celebrating the receiving of results with teachers and classmates. Students, having received their results through the online portal, wishing to come to the school, may do so after 12.00pm on Friday.

The school's guidance counsellor Mr. Hendrick will be available on Friday and over the coming weeks, to meet and deal with any query you may have in relation to you results and future options. Please contact Mr Hendrick AdrianHendrick@luskcc.ie to arrange an appointment.

Please find in the pages enclosed SEC letter to candidates including key dates and stages following the issue of results including access to data, viewing of script and appeals.

All queries relating to appeals and viewing of scripts can be directed to Mr Kiely EoinKiely@luskcc.ie

We wish the Sixth Year Class 2022 the very best of luck with your results tomorrow.

Go n-éirí libh,

Pat Cole

Dear Candidate,

The 2022 Leaving Certificate results are due for release to candidates through the Candidate Self-Service Portal at **10 am on Friday 2 September**. You are aware that the date for the issue of the results this year is later than would be the case in a normal year; there were a number of reasons for this. There was a deferred sitting of the Leaving Certificate examinations in July for students unable to sit examinations in the main sitting in June due to serious accident, injury or illness; close family bereavement, or Covid-19. With increased numbers of candidates, there was a requirement for increased numbers of examiners and this was challenging this year. A further significant factor is that in announcing the arrangements for the 2022 Leaving Certificate examinations, a commitment was given by Government that the outcomes will, on aggregate, be no lower than the outcomes in 2021. This work is currently underway and giving effect to this commitment requires time for detailed analysis of the marking outcomes, implementation of any adjustment, and quality assurance.

We are contacting you at this time to update you on a number of key dates that will be important to you in the coming weeks as they relate to the viewing of scripts and the appeals processes. You should take note of these important dates as the timelines will all be strictly applied.

The timelines this year for candidates to apply to view scripts and to lodge their appeal applications are very short and the deadlines will be strictly applied. This is essential to ensure that the remaining stages of the appeal process can be completed as quickly as possible. **The SEC will not accept late applications.** Until such time as the number of appeals is known, it is not possible to commit to a specific timeframe for the issue of the appeal results. Every effort will be made to process appeals as quickly as possible. Candidates will be notified of this date as soon as possible.

The State Examinations Commission (SEC) is committed to providing clear and timely information to candidates about the examinations. You will receive a detailed *Candidate Information Guide to Results & Appeals* which will be emailed to all candidates and published on the SEC's website in advance of the issue of results on Friday, 2 September. Detailed subject by subject information will be provided in the *Candidate Information Guide to your Results by Subject* which will be published on <https://www.examinations.ie> on Monday 5 September to facilitate those who intend to access their marks including their individual component marks.

You will find information about the services provided by the SEC on our website. If you need to contact us, the email address for candidate enquiries is candidateportal@examinations.ie and our phone number is 090-6442702. At the time of the issue of the results a Candidate Helpline will be available. Details of this will be provided to you.

Yours faithfully
