21 March 2022

Dear Parent/Guardian,

We have recently changed over to using a new Management Information System(MIS) for Lusk CC. This system is called VS Ware and is web based.

There are many features for parent and guardians on VS Ware which should make communication between school and home much easier for all.

We will be slowly rolling out these features on a phased basis between now and the end of the year and we will communicate these changes to you when they occur.

Parents/guardians will be able to create a user account and log into the system where they will be able to:

- View exam/term reports
- View your son/daughters timetables
- Monitor attendance
- Receive notifications form the school

VS Ware can be accessed via a web browser, however we would also recommend that all parents/guardians download the VS Ware app to your phone or other mobile device.

Instructions for downloading the App can be found here:

<https://support.vsware.ie/en/parent-app-downloading-and-logging-in>

Information about your log in details and instructions on how to set up your account will be texted to parents over the coming days.

Please use the following link to help guide you through the process:

<https://support.vsware.ie/parent-app-overview>

Yours Sincerely,

John B. Conneely (Deputy Principal)
