Dear Parent/guardian/students,

There is a new link for the MIT payments system.

**Please Note: Cash payments cannot be taken in the school office and card payments cannot be taken over the phone by the School office.**

The link is available from the homepage of the Lusk CC website:

and is also below:

<https://eps.enrol.ie/luskcommunitycollege/Pages/Index.aspx>

If you have never registered an account for online payments you should click on **Register here link on the homepage.**

**All users who have previously registered for online payments must reset their passwords:**

**Step 1:** To gain access, you must click on the Forgot Password button, enter your email address, and click on the Send button.

**Step 2:** You will receive an email from the system (If the email address entered is associated with an account) and you must click on the link provided. This will take you to the MIT system where you can enter a new password to continue.

**Step 3:** Once your new password has been created, you can login and continue to pay fees as normal. Please note the link will expire after 2 hours from the initial request. If this happens, you can click on the Forgot Password option again.

If you require any assistance with accessing MIT Payments system, please contact the school office by email: AdminLuskCC@ddletb.ie or by phone: 015130000.

Regards,  
Lusk CC
