2nd February 2022

Dear Parent/Guardian,

Conversations and planning surrounding Senior Cycle Programme and Subject choices for next year have already commenced here in Lusk CC. We would encourage students and parents to continue this discussion at home over the coming weeks. Third year and Transition Year students will be making decisions in relation to what programme they wish to study next year and subject choices will also be part of that decision.

Parent/guardians, students will receive information in relation to the following over the course of the weeks ahead:

- Senior Cycle Programme Options
- Senior Cycle Subject Options

It is our aim to inform and encourage discussion surrounding the best programme/subject route for your son/daughter's continued education to allow them to reach and surpass their educational potential.

With this in mind, we have arranged the following:

Senior Cycle Information Night for Parents/Students, Thursday 10th February 2022, at 7.00pm.

The information night will take place online; the meeting link will be on your son/daughter's Teams calendar and can be accessed via your son/daughter's Teams account. This event will focus on advice on programmes available to your son/daughter at senior cycle, including:

- Transition Year
- Leaving Certificate Programme
- Leaving Certificate Vocational Programme
- Leaving Certificate Applied

All students, third year and transition year, irrespective of their choice of programme, must provide Leaving Certificate subject preferences before the 17th February 2022.

Parent/guardians, will be forwarded an Online Subject Options Form following the Senior Cycle Information Night. In this Online Form parent/guardian(s), along with your son/daughter will be asked to provide the following information:

- Programme of study at Senior Cycle (TY, LCA, LC)
- Whether a language is to be studied (Spanish, French, none)
- Subject preferences for Leaving Certificate
- Whether LCVP is to be studied

To help make decisions on programme and subject choices at Leaving Certificate, the school will publish information on programmes and subject videos and profiles on Teams and on the school website. Information on the programmes Lusk Community College has to offer can be found [here](#). The subject videos and information will be published prior to the information evening for you and your son/daughters to review and discuss. On Wednesday 9th and Thursday 10th February, students will be provided with information on programme and subject options in school.

Students will also have a huge amount of invaluable information available to them on their relevant Year Groups Teams Class Notebook. There is a video on Teams to show them how to access the Class Notebook. The information is in the Guidance folder and has pages that give a description of the programmes available and infographics for each Senior Cycle subject.

There is also an Online Forms available in the Notebook for any questions that a parent/student may have about a particular subject or programme. We encourage students to engage with this so that they are making an informed choice.

Parent/Guardians, and students will also find useful information on <https://careersportal.ie/>

Timetable of information on Senior Cycle Options

Date	Information
Wednesday 2 nd February	Programme information will be uploaded on the school website and Teams
Tuesday 8 th February	Senior Cycle Option videos will be uploaded to the school website and Teams
Wednesday 9 th February	Programmes information will be addressed in school with students via Teams assemblies
Thursday 10 th February	Subject videos will be shown to students in classes throughout the school day <u>Parents Information Night on Teams at 7pm</u>
