RE: Senior Cycle Options for 3rd and TY students

Dear Parent/Guardian,

Conversations and planning surrounding Senior Cycle Programme and Subject choices for next year are well underway here in Lusk CC. We would encourage students and parents to continue this discussion at home over the coming weeks. Third year and Transition Year students will be making decisions in relation to what programme they wish to study next year and subject choices will also be part of that decision.

Parent/guardians, students have been and will continue to receive information in relation to the following over the course of the weeks ahead:

- Senior Cycle Programme Options (LC, LCA or TY)
- Senior Cycle Subject Options
- Results and guidance from CAT testing which took place for 3rd year students

It is our aim to inform and encourage discussion surrounding the best programme/subject route for your son/daughter's continued education to allow them to reach and surpass their educational potential.

With this in mind, we have arranged the following:

Senior Cycle Information Night for Parents/Students (to be confirmed)

The information night will take place online; the meeting link will be on your son/daughter's Teams calendar and can be accessed via your son/daughter's Teams account. This event will focus on advice on programmes available to your son/daughter at senior cycle, including:

- Transition Year
- Leaving Certificate
- Leaving Certificate Vocational Programme
- Leaving Certificate Applied

Parent/guardians will be forwarded an Online Subject Options Form following the Senior Cycle Information Night. In this Online Form parent/guardian(s), along with your son/daughter will be asked to provide the following information:

- Programme of study at Senior Cycle (TY, LCA, LC)
- Whether a language is to be studied (Spanish, French, none)
- Subject preferences for Leaving Certificate & order of preference.
- Whether LCVP is to be studied
