Date: 9th April 2025

Dear Parents/Guardians,

Over the past number of weeks, we have shared with you the findings of the Planet Youth Survey through our weekly newsletters. These insights have offered a valuable look into the lives of our young people—highlighting both the strengths we can build on and the challenges we must address together.

We would now like to invite you to take the next step with us.

As part of our ongoing commitment to student well-being and school improvement, we are organising a Parent Focus Group to gather your views on potential targets and initiatives to be introduced at Lusk Community College for the upcoming academic year.

This focus group will provide an opportunity for you to:

- Share your thoughts on the key findings from the survey
- Suggest ideas or areas of focus for student support and school culture
- Collaborate on meaningful actions that can positively shape the school experience for all our students

We are aiming to host a small group of parents for this session, which will take place on-site at the school in the coming weeks. If you are interested in taking part, please email Mr. Floody at waynefloody@luskcc.ie by Friday, 25th April to express your interest. Spaces will be limited, so early replies are encouraged.

Your voice and perspective are incredibly important to us. Together, we can continue to build a strong, connected school community that prioritises the well-being and success of every student.
